

include/spidriver.h

```
graph TD; A[include/spidriver.h] --> B[stdint.h]; A --> C[linux/spi/spidev.h]
```

The diagram illustrates the header file dependencies for include/spidriver.h. It is a hierarchical structure where the top-level header file includes two other header files. The top-level header file is 'include/spidriver.h', which is shown in a grey box. Two blue arrows point from this box to two other boxes below it: 'stdint.h' on the left and 'linux/spi/spidev.h' on the right. Both of these lower-level header files are shown in white boxes with grey borders.

stdint.h
